	Standard Box (Letter)	15x12x10	1.0	1.2	1	1.2	Letter
	Legal	24x12x10	1.7	2.4	2	2.4	Legal
	Oversized	24x15x10	2.1	3.6	3	3.6	Oversized
	Copy Paper Box	NOT ACCEPTED					

A box is defined as any container up to and including 1.2 cubic feet in size. For example, a customer having 200 – 1.2 cubic foot containers will have 200 boxes on hand. All larger containers are prorated in multiples of 1.2 cubic feet. All rates and services are charged on a prorated basis of box size. All rates and services are charged on a prorated basis of box size. All containers with a width greater than 12" will be considered Oversized (3.6).

Don't forget, we offer [Shredding & e-Recycling Destruction](#)
